

# Transforming Our World: Conversations with MSU Chinese Scholars

Inaugural Event

AUTONOMOUS  
DRIVING

March 16, 9-10:30 AM EST  
Zoom Webinar

This webinar will focus on recent advances in Autonomous Driving, featuring two MSU engineering faculty, MSU Foundation Professor Xiaoming Liu and Assistant Professor Zhaojian Li and Dr. Wende Zhang, Director of ADAS Sensing and Localization SW at General Motors (GM). The webinar will be moderated by Dr. Xinyu Wu, Director of the Office of China Programs, with opening remarks by Dr. Douglas Gage, Vice President for Research and Innovation at MSU.

MODERATOR:

OPENING  
REMARKS:

PANELISTS:

**Xinyu Wu**

Director

Office of China Programs  
Michigan State University

**Douglas A. Gage**

Vice President

Research and Innovation  
Michigan State University

**Zhaojian Li**

Assistant Professor

Department of Mechanical  
Michigan State University

**Xiaoming Liu**

Professor

Department of Computer  
Science and Engineering  
Michigan State University

**Wende Zhang**

Director

ADAS Sensing and  
Localization SW  
General Motors

This series is co-sponsored by the Office of China Programs, the Office of Research and Innovation, and the Chinese Faculty Club.
